## PROGRAM OVERVIEW

6 year-program (12 semesters)

- 1-5 semesters: pre-clinical courses
- 6-9 semesters: clinical courses
- 10-12 semesters: full-time clinical practice. Students function by shadowing medical residents within the Department between 8.00 and 16.00 every working day and participate in night shifts at least once a week for 2-3 months in each course.

Successful examination in 48 obligatory courses and 12 elective courses

For clinical training, students may practice in 16 hospitals of the Attica basin.

***The 40% of the medical needs of the Public Health System in the Attica basin (about 5,000,000 residents) is covered by the NKUA University Clinics.***

*For the 7th consecutive year, NKUA is in top 100 Universities of "Top Universities by Top Google Scholar Citations"*
